a new plane for PNG

On our last visit to Mareeba we were able to see the new Cessna Caravan that was being prepared for PNG.

When we connect with all the folk coming through Tree Tops it helps us to appreciate the wider mission that we are involved with, sometimes it can feel as if you are only washing, cleaning, repairing, picking up rubbish, and all the other things that need to go on in the background so folk can come in from the field and be refreshed. Tree Tops is also a place where families can meet with extended families and friends who may not be able to visit them in the field for

whatever reason, we are often blessed with missionary folk who have spent their life on the field and just want to come and be part of Tree Tops for a while.

Over the last few weeks we have enjoyed a very full Christmas with 'not a room to spare' we also hosted a conference over this period and have begun Jan 2017 with several Medivac's out of PNG. Our year is looking very busy with many conferences already booked.

Isaiah 11:12

He will raise a banner for the nations and gather the exiles of Israel; he will assemble the scattered people of Judah from the four quarters of the earth.

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia, this will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.

Blessings Peter & Avrienne
