

# 'Odyssey' north by northwest number 30 24th February 2018

2018.....Start the year running!

Our First Baby for 2018 !!!

One of our most precious times is the birth of our Tree Tops babies, Clint and Ashlyn from PNG have been staying with us while waiting for the birth of Lance Dakota Teele, who arrived full of joy and big smiles.

It seems everyone I speak to has the same problem, where has the first two months gone?

So far we have been able to prepare the ground and lay the foundation for our new shed that will eventually allow us move all our 'Stuff' from the existing shed that is now sitting on the site of our new complex.

All going well we hope to have the new shed up by the end

of March at which time we can get serious about finding a new home for our existing shed, which we need to remove before the Development can move forward.

**Prayer Cards**

If you would like our prayer card we would love to send you one from New Zealand or Australia, this will give you something to 'pop' up on the fridge so you remember what we look like.

We really do appreciate the prayer and love that we get from you all.

Please continue to pray for our ongoing staffing needs at Tree Tops Lodge, we are now advertising for a couple to take up Gavin & Sue's position as Manager's. They leave in October 2018, ideally the couple would have experience in management and finance, they would also need to raise support as this is a mission position.

*Blessings Peter & Avrienne*
