

'Odyssey' north by northwest number 33 29th May 2018

There and back again.....

Our trip to Arnhem Land was fantastic, we were made so welcome by everyone.

Most of our time was spent in Gove which is called Nulembouy, we were also able to travel out to one of the communities Lake Evella and spend the night which allowed us to catch up with some of the young families that have passed through Tree Tops Lodge. It was encouraging to see

how they have fitted into the local communities as often it can be difficult being away from extended family but when you know that God's hand is upon you, your focus is clear and the job ahead seems so worthwhile. Avrienne & I could not help but see the similarities and the differences between PNG and the outback communities, we must confess that it did somewhat stir up some yearnings for our time in PNG.

It was great to catch up with the guys in engineering who are tasked with keeping our precious folk safe in the air, they do an amazing job.

Please continue to pray for our ongoing staffing needs at Tree Tops Lodge, we are now advertising for a couple to take up Gavin & Sue's position as Manager's. They leave in October 2018, ideally the couple would have experience in management and finance, they would also need to raise support as this is a mission position.

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia, this will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.
