

'Odyssey' north by northwest

number 36 August / September 2018

All go at Tree Tops Lodge!

We are so blessed to have a couple in the process of coming to Tree Tops Lodge, all going well they will join the team near the end of this year. Praise God. Gavin and Sue will be departing on the 26th October so in the interim we have our dear friends Ian & Beth Smith helping us 'Hold the Fort' as relief managers.

Loading the panels on site for the next retaining wall.

The Major project, building the new Accommodation Block has at last passed through council and we will soon be moving to the next stage, Praise God for His hand upon the process so far.

After 3 years we would like to seek some more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to the nations, we have literally 1000's of missionary families passing through on their way to the field and on their way back, sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work of God. Please feel free to pass on our newsletters to anyone that may be able to help, we have included an extra PDF (Austin letter) to help explain our position, also we have included a link to MAF NZ.

Our project for the stabilization of the bank between the Self-Contained units and the Motel units is well underway, we are desperately trying to get it finished before the rains arrive, please continue to pray for safety and wisdom as we proceed

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia, this will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.
