

Summer greetings to you all!

We hear that NZ is having record temperatures this year! We are actually having a cooler than normal summer, some days it is even below 30 degrees!

Here is the “Christmas cat” ... poor thing was tortured into wearing the decorations as they were put away... another year has passed and we are well into the New Year.

people are quite accustomed to sitting up on their beds and waiting for it to flow through...

We made a quick trip to the capital the other week, and had the blessing of meeting up again with three of the missionary families we made friends with at the conference in December. Our kids had a great time with all their kids, and we were able to be encouraged mutually, fellowshiping with the parents. We are so thankful God has allowed us to get to know these servants of His!

We are very happy to let you all know that Mr Trevor and Mrs Margaret Maclean from Tauranga are coming to help us for six months this year. They will be doing maintenance around the Centre, completing the Centre kitchen and other projects, and helping with the little kids' classes, amongst other things. There has been an amazing provision of a fully furnished house for them to rent at a reasonable price, and many other things that have happened to them to confirm that the Lord wants them here for that time. So please pray for their safe travel over here on the 4th of March, and for safety, protection and good health while they are here.

Until next time, Blessings & Love from Francisco, Joanna, Nicki, Melanie and Benji.
