2018.....Start the year running!

Our Christmas rush was fantastic with a full Lodge and heaps of kids, I think we counted 36 children at the 'bung Kia' shared meal on Christmas Eve. It is at these times that we really understand the importance of Tree Tops as many of our folk are a long way from their own extended families and to be able to get together with a group can help to reduce the sorrow of distance at this time of year.

Praise God We have just received our approval for the new Garage, this will allow us move a lot of our 'stuff' from the big shed that will be removed to prepare the ground for our new accommodation block. All going well we expect to have the concrete pad down by early Feb and the Garage up by the end of March, weather permitting.

Please continue to pray for our ongoing staffing needs at Tree Tops Lodge, we are now advertising for a couple to take up Gavin & Sue's position as Manager's. They leave in October 2018, ideally the couple would have experience in management and finance, they would also need to raise support as this is a mission position.

This year is going to be one of our most exciting yet, with multiple large projects to work through, as well as having Gavin and Sue finishing off and heading back to New Zealand.

Yesterday we had our first hint of Cyclone season, as Cyclone 'Calvin' started to form in the Coral sea, there is still no news as to it's state.

We have also had a 'slip' due to all the heavy rain that will need to be addressed very soon.

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia, this will give you something to 'pop' up on the fridge so you remember what we look like.

We really do appreciate the prayer and love that we get from you all.
