Retaining Walls / Accident / MAF prep

It seems that we have been working on our retaining walls forever, but, as we draw closer to completion they are coming together nicely. The new concrete slab is in place and soon, all going well we will begin planting weather permitting of course. I was talking to one of our guests the other day and mentioned that it seems that I could count on one hand the days that we have had this year with no rain!!! Yes, our Dry season has not come and seems a long way off.

Earlier this month one of our little curtesy cars was damaged we praise God that no one was hurt, in fact the car was parked on the side of

the road and was run into. The little car is now back and working well for our guests as they use it to get around the Cairns area.

Here is one of the Sulphur Crested Cockatoo's who visit our balcony from time to time.

Although we have been reasonably quiet through the traditional low season we are now heading into a very busy period with almost the entire month of June fully booked, many of these bookings are for the MAF International, MAF Aust, & MAF NZ meetings, but, we will also be blessed with the MAF Alumni meetings near the end of the month, it really is going to be a MAF month!!

We are now seeking more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to the nations. We have literally 1000's of missionary families passing through on their way to the field and on their way back home. Sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work of God.

Phil 4:6

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia. This will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.

Blessings Peter & Avrienne
