## Tree Fellas and Goodbyes

As the cyclone season approaches one of our jobs here at Tree Tops is to take a serious look at our Tree's 'yip' that's why we are called Tree Tops Lodge. In the left picture you can see what I call 'home tree' and if you look very closely at the bottom RH you can see the guy in the orange Hi Vis shirt to give some idea of the size. On the right you can see the lift platform that allowed a very brave tree fella to remove all the dead wood and potentially dangerous branches, it was a job well done and hopefully will protect our 'Home Tree' as well as our office and lounge areas and especially our guests in the next few months.

On the right we are saying goodbye to another missionary family who have been with us for several weeks, the kids are already talking about when they can come back and see Mr Peter & Mrs Avrienne it has been a real treat to have them here for so long.

We are now seeking more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to

the nations. We have literally 1000's of missionary families passing through on their way to the field and on their way back home. Sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work

*Psalm 69:32-33*

*Sing to God, O Kingdoms of the earth, sing praise to the Lord, to him who rides the ancient skies above, who thunders with mighty voice.*

## Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia. This will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.

*Blessings Peter & Avrienne*
