Storm Season approaches so more trees removed at TTL

As storm season approaches it is important to identify and remove any possible problem trees. For this we use a local contractor who can 'drop them' and grind them up ready for disposal.

If you have been wondering, so far we have not had any real problems with fires, but we have seen large amounts of smoke covering Cairns for days on end. Added to this we are in water restrictions and only able to water on certain days and at specific times.

During October we were so blessed to be able to spend some time with our son Kurt who lives in Darwin, we had some 4 X 4 fun with friends on Dundee beach. (Kurt is dancing in the white shirt)

One of our tasks now is to prepare for the new year, please continue to uphold us in prayer as we move forward setting budgets and prayerfully seeking the Lords direction.

We are now seeking more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to the nations. We have literally 1000's of missionary families passing through on their way to the field and on their way back home. Sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work

Psalm 106:48

*Praise be to the LORD, the God of
Israel, from everlasting to everlasting.
Let all the people say "Amen!"
Praise the LORD.*

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia. This will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.

Blessings Peter & Avrienne
