Conversion time !!

The year has opened well with a very busy January. The conversion of Motel unit's 15 & 16 is underway with all the demolition done the internal walls all completed jib-stopped and painted, next to arrive will be the Tiler, Plumber and Electrician. Once this conversion is finished we will have a specific unit that we can use for

guests who are wheelchair bound as well as for long term recuperation before returning to the field. As per normal with Tree Tops Lodge we are on a very tight time line, we need to have this room ready for our busy time in March, on some days we will be fully booked.

Peter has also been busy repairing our mobility scooters.

Please continue to remember Tree Tops Lodge especially in the area of staffing, our current helpers leave in early march, and will mean that we will be here alone for some time.

Last year our hope was to get back to New Zealand to catch-up with supporters and family but unfortunately due to several reasons this was not possible, we are planning to try for later this year, we will keep you all informed of possible dates.

We are now seeking more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to the nations. We have literally 1000's of missionary families passing through on their way to the field and on their way back home. Sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia. This will give you something to 'pop' up on the fridge so you remember what we look like.

We really do appreciate the prayer and love that we get from you all.

Blessings Peter & Avrienne
