Are the stars really brighter in the sky? Has the air become so much cleaner? Do you now speak to so many people you have never spoken to before! I think the answer is very much yes. All over the world communication and appreciation has changed. We have always been very adaptable but often not by choice. It seems that through this recent adversity we really are beginning to shine! There is so much to be thankful for when we 'come out' of this current situation. Our desire should be to hold onto our new found freedoms and make this a far better world than when we first began this latest challenge.

Here at Tree Tops we have 9 families who are quickly becoming a community of our own, even with social distancing we are able to stand apart and talk, not just to convey a message but to connect and learn about each other without the constraint of our very busy lives! we now have Time! and time in abundance.

We have also been blessed with many of our guests offering to help with the 'Chores'. (Richie and Bernie Axon and family in picture) Tree Tops will be revitalised ready for the upcoming rush of guests looking for some warm weather here in Far North Queensland when movement around Australia is permitted then, a wee bit 'further down the track' have many folk transiting back onto the field or coming off for a well earned furlough! after 'holding the fort' for so long.

Keep safe and know that we will come through this.
In our Lord's name.

We are now seeking more partners to help us in this amazing venture of God. Tree Tops Lodge is a vital link in reaching out to the nations. We have literally 1000's of missionary families passing through on their way to the field and on their way back home. Sadly we also often have them come and stay with us after an accident or medical emergency. We rely on your love and support to do this work

*My son, do not forget my teaching,
but keep my commands in your
heart, for they will prolong your life
many years and bring you
prosperity.*

Prayer Cards

If you would like our prayer card we would love to send you one from New Zealand or Australia. This will give you something to 'pop' up on the fridge so you remember what we look like. We really do appreciate the prayer and love that we get from you all.
