

# Hi everyone!

Hope you are all doing well in whatever part of the world you are in!

We are very happy with how the youth club has been going lately – a good, consistent group is continuing to come and learn Bible truths.

Some of their responses show that they are serious about following God, although many of them have to handle adversity at home and in the community for doing so.

They have now completed a lot of different cooking projects, as well as painting scenes on wood. This is stimulating the creative side of things, and providing them with new skills.

We have also just done a workshop on basic money management using Bible principles, which for most of them is something completely new.

Benji has just turned 16! Growing up too fast!!!!!! We celebrated with some of his friends in Asuncion, with 10 pin bowling and pizza.

As Mel and Ben are both into fitness, there is a constant "muscle" competition in our house!!!!!!

Some very kind Christians from the States have invited us to (and paid for!) a missionary conference in Costa Rica, so we are about to take a short trip north. Please pray for safe travels, that this would be an encouraging time of fellowship and "refilling" spiritually for us all.

Frank's literacy and development classes continue well, but not without their challenges. There are so many basic disciplines lacking, that the children should have learnt at home, but have not. It is a constant battle to keep them in line, and not have them being disrespectful, mean to each other, cheating and stealing.

Please could you pray especially for four of the boys, Joe, Di, To and Pete, who need a change of heart – an encounter with the Lord. Also for the little kids who are struggling to learn to read, that Frank would find strategies to help them achieve this goal.

A huge **thank you** to those of you who have given generously to support the camp project!!!! Pictured here are the kitchen and dining things we have already been able to purchase – we are still working on getting the chairs and mattresses. The youth are super excited about having their own camp!!!! Please pray that we will have wisdom as we put together a team of people to help run it. We have set the dates for 8<sup>th</sup> – 10<sup>th</sup> of November.

Till next time,

Lots of love from Francisco, Joanna, Melanie and Benji Fleitas.
