

Young people of High School age are catered for on a weekly basis in a safe but fun environment. The group is run by adults, but is designed to appeal to young people and to meet their social and spiritual needs. Activities include games, visits to local attractions and various ways and means of building into the spiritual lives of all who come along. Young people are encouraged to get involved in the life of the church, utilising their gifts and abilities to serve others. Forge Youth info can be viewed online by heading to Facebook. Free transport is available from Motueka, Moutere and Mapua districts.

We are a community of Christians who meet on a regular basis for mutual encouragement, worship and Bible teaching. A warm welcome is extended to all who want to attend our Sunday meetings or our various other ministries. We strive to make people feel at home regardless of background, race, age or gender.

We have many ministries catering specifically for children, and host an integrated

Christian Primary School on-site. In addition, we have a Senior's Group, Home Groups, a Women's Group, and a vibrant Youth Group.

Our main aim as a church is to glorify God by faithfully teaching His Word, sharing the good news about Jesus Christ with others, and encouraging believers to live godly, productive lives.

*Sunday Morning*

This special meeting at 10:00am each week is an opportunity for the entire church family to meet together. This special family time includes worship and communion every Sunday. Each Sunday also includes good quality Bible teaching via various suitably gifted members of the congregation. Additional learning opportunities are provided outside the Sunday morning teaching times in order to address the varying needs of the congregation in a small group context.

Children are important members of our congregation, so during the adult teaching time, children are invited to a J.A.M. (Jesus and Me) Bible lesson.

*Small Groups*

People in the church meet together on a regular basis for social interaction, prayer and Bible study via a number of organised groups. Some are designed for men, some for women, and some mixed. Older members of the church also meet together for mutual encouragement and social outings. We encourage people to be a part of a small group if at all possible.

*Mainly Music*

Pre-school children are catered for in a lively music programme each week. This ministry is designed to help parents and children build memories together in a context that encourages physical, mental and social development.

*Friends & Neighbours*

Are you retired and looking to meet people in your community? This new group is set to do all sorts of fun things to help you relax and enjoy yourself:

- Transport available
- Great food
- Organised activities
- Something different each month
- Free (gold coin donation)

*Tasman Bay Christian School*

Dedicated and enthusiastic teachers are supported by a Board of Trustees committed to the well-being of all the School's children. An underlying Christian World-view provides a solid foundation that can be built on in subsequent years. Staff are drawn from diverse evangelical perspectives and are passionate about teaching children!
